

Agency Download through All Star General will allow you to receive your customers' policy activity electronically. The process will take approximately two weeks to complete. Your agency will be able to download the following policy transactions: new business, renewals, endorsements, cancellations and reinstatements. We do not send billing notices, cancellation notices, or other correspondence that isn't related directly to a policy transaction.

You will be notified via email once the setup has been finalized.

Please email or fax this form to download@allstargeneral.com.
