

## **AGENCY MANAGEMENT SYSTEM DOWNLOAD**

### **Direct Homeowners and Personal Auto (Dwelling Fire to follow)**

#### ***INITIAL LOAD:***

RAM cannot offer an initial load. Only transactions processed after the initial setup date can be downloaded.

#### ***POLICY NUMBERS:***

We will be sending the two digit alpha prefix and the root policy number ONLY. The two digit suffix after the period will not be sent. For instance, PA123456.02 will be sent as PA123456 and DH654321.00 will be sent as DH654321.

#### ***INFORMATION NEEDED FOR SETUP:***

- RAM's IVANS Account # is ram8001
- RAM's NAIC code is 16330
- RAM's Origination address is IBM218RAM (for AfW and AMS360 users)
- Company Unique Codes List (see page 2). These only apply to DH. None for PA.

#### ***AFTER COMPLETING THE SETUP PROCESS:***

Once the setup process is complete, email one of the contacts below. Downloads can begin on a daily basis at this point. All homeowners and personal auto transactions processed each day with your agency code will be downloaded to your agency management system in your office usually within 24 hours.
